

Paper Soup Containers and Lids

The natural look and feel of these PLA-coated hot paper cups convey a commitment to social responsibility and respect and care for our environment. Made from 100% annually renewable plant-based materials, our paper cups meet industry standards and specifications for compostability, meeting customer demand for more earth-friendly products.

Protecting the **Earth, Plus** delivering value.

Rooted in the 4 Rs (Reduce, Reuse, Recycle, and Renew), Earth Plus delivers affordable, eco-friendly solutions that are good for both your business and the planet. Including disposables, supplies & equipment, and chemicals, these everyday essentials help your operation run smoothly and responsibly.
