

Parfait Cups, Inserts, and Lids

Great for to-go parfaits, snacks and desserts, Pactiv Evergreen's parfait cups, inserts, and lids provide the versatility for a multitude of merchandising options.

Strong and Clear

This line is durable with a clarity that beautifully displays your menu items and provides for simple order identification.

Great for Grab 'n Go

Choose from a variety of flat or dome lids for mess free transport and retailing. It is easy to add tamper evident stickers for extra security and labeling.

Reusing Resources

Our EarthChoice cups are made with a minimum of 25% post-consumer recycled (PCR) material, reducing fossil fuel-based material usage.

Recycleable Cups and Inserts

Recycling products gives them a second life and helps keep them out of landfills. Check locally: may not be recyclable in your area.

An Easy Match

The simple coding system embossed on the cups and lids makes it quick and uncomplicated to pair the correct cup and lid. Not featured on the inserts.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
