Hinge lid closure design allows for easier/quicker line-assembly and closure vs top lock folding containers

## Benefits

Easy to close one piece paper container with secure front latch closure

Pre-assembled hinged lid boxes allow for fast and easy loading of contents and closing (vs top lock folding containers)

Optional SmartVents™ keep foods fresh and crispy

Perforated tear away lid provides an improved eating experience for customers

Leak resistant coating prevents sauces and liquids from penetrating through the container

Designed to be stackable in most common size delivery bags

Variety of sizes fitting multiple operators applications & optimized for off-site dining

Kraft items are made from paperboard that uses 100% recycled fibers

Made in the USA \*\*

Large area to add sticker/label which is great for operators to identify what's inside and create a tamper evident seal

Custom printable so restaurants can showcase their logos and branding

PFAS Free

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
