

Translucent Cold Cups

Economical

These high impact polystyrene (HIPS) plastic cups are an excellent value for your business.

Easy Identification

The translucent material helps you easily identify orders and showcase colorful drinks.

Take It To-Go

Lids can be added to our 12 or 16 oz. cups for easy transport.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
