

# Pro-Kal® Deli Container

With six sizes and one common lid these containers are great for grab 'n go merchandising and transporting take-out!

## **Economical**

Contact-clear Pro-Kal® containers are your solution for a lightweight cost-effective package.

## **Excellent Temperature Endurance**

These microwaveable containers have a high heat resistance and can handle your hottest foods.

## **Recyclable**

Recycling products gives them a second life.

## **Efficient for Inventory**

One lid fits six containers. Combo packs available for convenience and operational simplicity.

## What temperature range is recommended?

**PactivEvergreen.com**

Visit our website today to view our range of packaging solutions.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However because every food supplier's recipes ingredients processes and supply chain is unique these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
