

## Sysco Bar & Grill Solutions

For dine in or carry out we have everything you need to serve up specialty burgers and cold craft beers at your restaurant!

## Containers

Whether you want economical PS foam hinged lid containers that get the job done, mid-range mineral filled polypropylene (MFPP) containers with high heat tolerance and strength, or high performance and presentation black base and clear lid polypropylene containers, we have the essentials you need. Feel confident that your packaging will keep your Friday night fish fry crisp and your nachos won't soak through with to-go orders.

## Drinkware

Craft beers, cocktails, and mocktails meet their match with our range of drinkware. High impact polystyrene (HIPS) cups are a great, cost-effective option for the kids. Our recyclable\* cups, made with a minimum of 25% post-consumer recycled (PCR) PET, meet the strength and presentation requirements for all your adult beverages.

## Cutlery

Fitting the right cutlery to the right setting or menu offering is key to your customer experience. We offer a selection of single piece utensils and wrapped kits your customers can use for dining in or to go orders.

\*Recyclable. Check locally: may not be recyclable in your area.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
