

Translucent Cold Cups

RK Cups are lightweight and cost-effective. Designed with ribbed sidewalls for improved stability. These translucent drink cups are available in a full range of sizes for all of your beverage needs.

Economical

These high impact polystyrene (HIPS) plastic cups are an excellent value for your business and the embossed capacity marks on most sizes make portion control easy.

Easy Identification

The translucent material helps you easily identify orders and showcase colorful drinks.

Take It To-Go

Leak-resistant snap-fit lids can be added to most sizes for easy transport.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
