

# PFAS-Free Solutions

## Fiber Blend Packaging

### PFAS-Free Performance

These PFAS-Free Fiber Blend Containers and tableware feature excellent grease performance that holds up to wet, heavy foods.

### Renewable

Our fiber blend packaging is made from annually-renewable plant sources.

### Commercially Compostable

These products are BPI-certified to be commercially compostable.\* Composting packaging with food scraps diverts waste from the landfill, helping reduce greenhouse gas emissions.

EarthChoice and Earth Plus PFAS-Free Products listed here are BPI-certified to be commercially compostable. Facilities may not exist in your area. Not suitable for backyard composting.

### What temperature range is recommended?

**PactivEvergreen.com**

Visit our website today to view our range of packaging solutions.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
