

Tableware

A collection of products designed to help you set the perfect table!

Fiber Blend

EarthChoice® and Earth Plus® Fiber Blend Tableware is made from sustainable, annually renewable materials that are environmentally friendly. Interested in PFAS-Free and BPI-certified Compostable* Tableware? Be sure to check out our fiber blend options listed on page 3.

Pressware® Paperboard

Made from domestically produced paperboard that meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing Standard (SFI-00156). SFI marks are registered marks owned by the Sustainable Forestry Initiative Inc. Earth Plus® Pressware® Paperboard is microwave safe and BPI-certified to be commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.

High Impact Polystyrene

Meadoware® Impact® Tableware provides a china-like luster and smooth surface for an upscale dining experience. This line is designed with superior cut-resistance and a unique rim pattern.

Laminated & Unlaminated Foam

Placemaker® Tableware offers an array of options to meet your economical needs! Choose from a multitude of sizes and types such as satin non-laminated, deluxe laminated, black or white.

* Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
